

# QUAKER VOLUNTARY ACTION

## THE PALES, POWYS: 3-6 August

QVA provides practical opportunities to put faith into action. This working retreat will combine practical work with free time, reflection, fellowship and fun.

Summer in Powys! Join QVA's first working retreat at the oldest Quaker Meeting House in continuous use in Wales. Now being renovated and opened to the public, work will be in the organic vegetable garden or 17th-century Quaker burial ground, perhaps including clearance of

the wood store and work in the coppiced wood.

Accommodation will be with local Friends, or camping in the grounds (you will need to bring your own tent). Food is vegetarian and we will cook it together.

We'll gather on Friday afternoon and close after Monday lunch.

Our events are open to Quakers and to those who wish to learn more about the Quaker way.

There are half-hour Meetings for Worship each morning, and days close with an Epilogue.

**Cost: £95**

(This doesn't include your travel to the project.  
Bursaries are available - please enquire.)
